

SCIENCE

How does it help us?

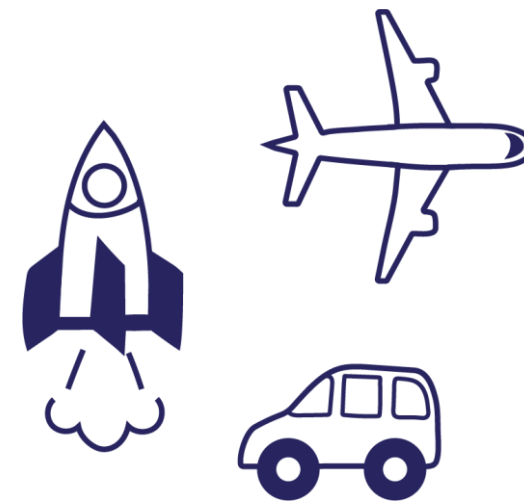

...to use energy

...to look after our health

...to travel

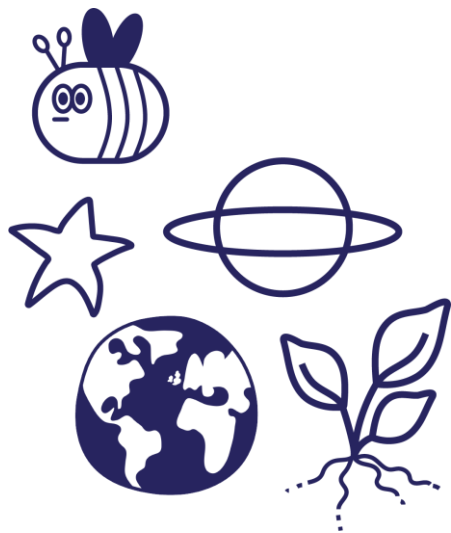

...to communicate

...to grow our food

...to understand our world/environment

(Showcase Event)

(As Gaeilge)

What will our
question be ?

HOW
can we find
an answer?

What materials or
equipment?

I predict...

How can we show our results ?

What do our results mean ?

Our predictions

How do they compare?

How are we going to present to our...

judge?

What would we change?
